Noodle Softest Double Dozen \$30.00^(E)/double dozen

sku: 84320301

The Noodle Softest Golf Balls have a sensationally soft feeling core that's like lightning off the clubface for Noodle-famous distance. The silky soft cover compound provides superior shotmaking spin off the irons and around the green. The cover and core combine to diminish driver spin for more distance off the tee and the specially designed dimple pattern promotes a high trajectory, long carry and soft landings. 2-piece construction.
