## HOW TO ORDER YOUR SUBLIMATED BASKETBALL UNIFORM

The Athletic Knit Sublimated Basketball Uniform Series is constructed with a tradition of quality and an emphasis on durability and functionality. Our sublimation printing process allows us to dye all colours, logos, team names, and individual player numbers and names into the fabric of the uniform. As a result, the uniform weighs less while maintaining the fabric strength and integrity. AK Sublimation offers unlimited vibrant designs that will not crack, peel or fade over time.

### DESIGN & PATTERN

- A UNIFORM DESIGN CODE**  
Design code refers to the graphic artwork that is applied by the sublimation process to a uniform pattern.  
In this example **DESIGN 1103** is shown applied on **PATTERN ZB21**
- B UNIFORM PATTERN CODE**  
Pattern code refers to the uniform's pattern construction for which the design has been sublimated on to (in this example Pro Cut Jersey with self fabric V-Neck & hemmed armholes).
- C UNIFORM COLOURS**  
  - 1** First colour
  - 2** Second colour
  - 3** Third colour

You can modify the uniform colour scheme by selecting and specifying the colour for each section (using the AK standard sublimation colour chart on page 27).
- D FABRIC**  
All sublimated fabrics start as white and are 100% Polyester. You can customize your uniform by selecting different fabrics using our AK fabric chart on page 27.

### STEP 1 | CHOOSE YOUR UNIFORM DESIGN

Start by selecting your uniform design from our AK sublimated basketball uniform series (pages 15-26).

### STEP 2 | CHOOSE YOUR UNIFORM COLOURS

You may choose the preselected colour scheme or opt to create your own colour combination. To modify the appearance of your uniform, select different colours from our standard sublimation colour chart shown on page 27.

### STEP 3 | CHOOSE YOUR WATERMARK UNIFORM DESIGN

Start by selecting a uniform design from our Sublimated Watermark Series on pages 24-25. You may further personalize it by choosing an alternate stock background theme. All Sublimated Watermark Backgrounds are interchangeable and available to be applied with or without a logo on all uniform graphic designs shown only in the Sublimated Watermark Series.

\*Available **ONLY** to the uniform designs shown in the Sublimation Watermark Series on pages 24-25.

### STEP 4 | CHOOSE YOUR DECORATING OPTIONS

Personalize your uniform by adding a team name, logos and individual numbers. Individual player names can be printed for an additional charge. Choose stock number and/or letter fonts from our font library (please visit the FINAL TOUCH section at [www.athleticknit.com](http://www.athleticknit.com)). Email your logo(s) along with your order. We require art files be sent in vector format in Adobe Illustrator (.eps or .ai) version C53 or lower. Please ensure that all supplied fonts have been converted to curves. For proofing purposes, please include a JPEG of any images submitted. If you are unable to provide artwork in the correct format, forward the image to be used and we will provide an estimate of our charges to format it correctly.
